HONGRONG, JUNE 8, 1867.

WE have but little doubt that the community at large has endorsed the verdict given in to business, during the past week. With a curious unanimity, indeed, everyone except the few whose sympathics were engaged for the Manchester side of the case seemed to have made up their minds at an early stage pairs are prepared to tender for supplying new of the trial in favour of the Banks, and if the Bollers to Steam-ships, for constructing which defendants had challenged half the town they would scarcely have been able to collect jury which would have given a decision different from that which was actually reached. How far local patriotism acted in producing this effect it is difficult to judge. That it had some influence, we should say there can be little doubt, but it would be a great mistake for the gentlemen who represent the losing interest, t cimagine that a verdict has been given in opposition to evidence because a strong projudice in favor of the Hongkong Banks determined the jury For further particulars apply at the Offices of to resist the arguments of the other side. Mearly all, probably, that local patriotism has hed to do with the matter, has been this; that it may have made the jury glad that they could come to the decision which they

Such a policy of Customs, intended last year to establish a would have much to recommend it. It would, the time of the stoppage by the unpaid the winds as and the vender, is a question of pure law, and the continuous the winds and the continuous the winds are continuous to the winds as to express their intraction to the winds as to express their intraction to the winds as to express their intraction to warms the winds and the continuous under Foreign inspection at in the first instance, be cheap, and it might in the first instance, be cheap, and it might in the first instance, be efficient. If, like Sir John Falstoff, labour, and another was committed for three the winds as the winds as the winds as the winds as the word of the work of our others doubly dishonour themselves as to express their irritation towards in the first instance, be cheap, and it might in the first instance, be cheap, and it might in default one month's imprisonment with hard labour, and another was committed for three the witnesses \$20, to be paid to the prisoners, or Counter intended last year to establish a continuous the witnesses \$20, to be paid to the prisoners, or Counter intended last year to establish a continuous the witnesses \$20, to be paid to the prisoners, or continuous the witnesses \$20, to be paid to the prisoners, or continuous the witnesses \$20, to be paid to the prisoners, or continuous the witnesses \$20, to be paid to the prisoners, or continuous the witnesses \$20, to be paid to the prisoners, or continuous the witnesses \$20, to be paid to the prisoners, or continuous the witnesses \$20, to be paid to the prisoners, or continuous the witnesses \$20, to be paid to the prisoners, or continuous the witnesses \$20, to be paid to the prisoners and the witnesses \$20, to be paid to the winder for the winder that empire and China. The subject was seri- have any cause to complain. But we do not mall Gazette. ble to apply the same means for collecting resistention to protect our trade by adequate force verme from the Russian trade that are now on the spot, and, that being our intention, we employed for levying duties on other foreign are bound to give it full effect. Now, it is quite to the ordinary mind that the detendants in shop cools living in Wellington at rect.

| Shop cools living in Wellington at rect. | complainant said that while walking along exact statistics of the Russian trade than are rapidly demalishing our wooden deet, will now known to the public. It was confidently bardly venture to deny it—that protection by For Swatow, Amoy and Poschowicos. Par Plaintiffs was rightly found. The questions whom robbed him of tell 10-cent pieces. He plaintiffs was rightly found. The questions whom robbed him of tell 10-cent pieces. He place this spring; but, for some reason which their operations to wood and not on any account. place this spring; but, for some reason which | their operations to wood, and not on any account has not yet transpired, the establishment of the to meddle with cold from. We are evidently Patus has sent rates up for this description of useful institution has been adjourned sine dia . under the persuasion that any possible antago. Drug. The Bul's appear to be again attempt-Now there can be no doubt that the Chinese nist with whom we may have to deal will be sure ing a demonstration, but with what result is as form bf a trial before a jury at all. We be lieve it was proposed at one time to try a definite issue as to the facts, before a jury, and in custody. He was first called by another finite issue as to the facts, before a jury, and complainent whose clothes were but few people shout at the time.

Now there can be no doubt that the Chinese in at with whom we may have to deal will be sure consideration, but with whom we may have to deal will be sure in as demonstration, but with whom we may have to deal will be sure in as demonstration, but with whom we may have to deal will be sure in as demonstration, but with whom we may have to deal will be sure.

Some the people about at the time.

To 828 deposed to having taken prisoner town, even close to Russian territies on the facts, before a jury, and in custody. He was first called by another tory; and there can be no doubt that such an intervent town, even close to Russian territies and complainent whose clothes were but few doubtful. The present stocks are heavy; and there is accurately any bone fide demand with the China to show a first called by another tory; and there can be no doubt that such an increase the construction. We are people about at the time.

To 828 deposed to having taken prisoner town, even close to Russian territies and complainent whose clothes were but few doubtful. The present stocks are heavy; and there can be no doubt that such an increase and complained to show a stant of the control then with the verdict as a basis, argue the law before the Junes. That would have been who he said had assaulted him. Prisoner was reliable information about the value and extent to the prisoner was reliable information about the value and extent to the prisoner was reliable information about the value and extent to the prisoner was reliable information about the value and extent to will be a desirable measure, almost all an information and as far as we are aware, almost all an information and there are establishment would be a desirable measure, the duty cast upon ships on stations for removed elements which would not appear to reliable information about the value and extent to will be a desirable measure. the most reasonable course, perhaps, and the wilking quietly along at the time, not running of Russian trade. The only matter of surprise We have at once so little confidence in wooden directed system of time speculations, however, at all, and there were an immense number of about this is, why the Chinese Government, vessels that we are selling them for less than when considering such a measure, did not decide the value of their materials, and so much that may easily overcome these obstacles and be sucto place their Foreign Onstom-house at Urga we trust them with the tack of protecting our seemful in bolstoring up the market for the time in a jury box away from their work for four borated the statement made by commerce and asserting our power and authority being. The closing quotations to day are—New consecutive days while rival barristers are stable.

In a large sociation of the said that it was he who had called the constant of such a system of said that it was he who had called the constant of such a system of the said that it was he who had called the constant of such a system of the said that it was he who had called the constant of such a system of the said that it was he who had called the constant of such a system of the said that it was he who had called the constant of such a system of said that it was he who had called the constant of such a system of said that it was he who had called the constant of such a system of said that it was he who had called the constant of such a system of said that it was he who had called the constant of such a system of said that it was he who had called the constant of such a system of said that it was he who had called the constant of such a system of said that it was he who had called the constant of such a system of said that it was he who had called the constant of such a system of said that it was he who had called the constant of such a system of said that it was he who had called the constant of such a system of said that it was he who had called the constant of such a system of said that it was he would all over the world. ANGLO-CHINESE DICTIONARY, QUARTO REV. W. LOBSCHEID. WITH PUNTI AND MANDARIN PRONUNCIATION.

THIS WORK was commenced in November, 1864, and will be completed towards the SHEET LEAD and LEAD PIPE of all sizes. | end of 1868, comprising in all 2,000 large quarto pages. The second part will be out in June; next; the third in April next, and the fourth about December, 1868. Much care has been bestowed on the work to render it usoful, both to the Merchant and to the Student of the Chinese and English languages. Articles of Trade, Objects of Natural History, all the articles to be obtained in the Ohinere Market are given with their Ohinese equivalents. The price of the book complete will be \$30 and it will be published in four parts at 87.50 each. But this objection presents itself to the sale of the parts separately, should the purchaser of one or more parts not take the others, number of incomplete, and consequently value-less, copies will be left on the publisher's hands. To remedy this objection, it is hoped that those who see fit to patronize the undertaking by it the East Point Machine Shop and Boiler Works. purchasing the first part, will not object to signing an arrangement to take the remaining parts as they appear, or should they prefer it. to pay for the entire work in advance. The work is offered in boards. The best Buckbinding Establishment in China being con-

neoted with this Office, parties desirous of having their copies strongly or elegantly bound will please to intimute the same. I Missionaries supplied at Trade Price. Daily Press Office. Hongkong. Treasure will be received in this manner any day between the hours of 10 a.m. and 4 P.M., up to the day preceding that of the Steemer's departure. Should the hour fixed for leaving be later than Noon, shipments will be received on the day of departure, from 7 to 9 A.M. Shippers desiring to avail of this arrangement, will please send along with their Trousure, Shipping Orders and Receipts carefully filled up with Marks, Description, and Destination; and if the Bills of Lading are delivered at the same

The Company of course except the "risk of boats," &c., as covered by ordinary Marine. With reference to the foregoing notice it is hereby intimated that the Company's Godowns are now ready for the reception of Opium, and other Cargo for shipment in the Company's Steamers, under the same conditions as stated

time the work will be greatly incilitated.

W. R. DATIZIEL, Act. Superintendent. Hongkong, 24th November, 1863. PACIFIC MAIL STEAM SHIP COMPANY THROUGH U.S. MAIL LINE TO NEW YORK.

THE "COLORADO." WILL LEAVE HURDEN OF HAMA AND SAN FRANCISCO. The middle of August, 1867. DASSENGERS ticketed through to Cali-

formia, Mexico, Centrel and South America, the Atlantic States, and to England or France, both via New York and by lines from Panama and Aspinwall. Return tickets issued at a reduction of 10 per cent, upon the whole amount for the round voyage. Connections are made at Panama with Steam ines upon the west coast of Central and South America, at Aspinwall with the Royal West India Mail line, West India and Pacific Stenutship Co. (Limited) and the French Transatlantie Co., and, at New York, with the various lines to Europe. Tickets issued for the Cunard, Inman and National Lines. Through Bills of Lading given for Freight to Ports of Mexico, and on the West Coast of Central and South America to as far as Valparaiso, to New York, Liverpool, Southampton, and St Nazzire, France. It is expected the monthly service will begin with the departure of the Colorado, in August, For further information apply at the Ageucy of the Compay, 15 Praya. S. L. PHELPS; Agen

tt 1181 Hongkong, 18th May, 1867 BOOKBINDING.
